# KEY VOCABULARY

## **Woodpeckers Summer 2 2023**

A Geographical Study of the Environmental Regions of Europe, Russia, North and South America. As a **geographer**, we will be learning to locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities

Tropical
I
warm and wet
Tropic of Cancer
Equator
Tropic of Capricorn

Deserts
|
hottest and
driest regions
with little or no
rainfall

Hot dry summer

I

winter is cooler

with some

rainfall, but
hardly any frost

Long cold winter

|
summer is short
with rapid
changes in the
spring & autumn

Very,
very cold
l
cold as
-60 °C in Arctic
-80 °C Antarctic

Warm or hot
summer
I
slightly
colder
winters

# CURRICULUM ENHANCER

**Talent Show** 

In **computing**, we are learning about programming repetition in games.

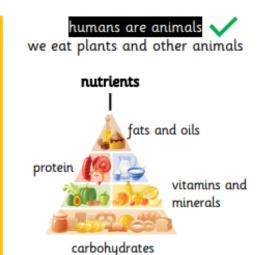

### In music "My Fantasy Football Team", we will:

- Sing a stepping melody accurately and with clear articulation and diction.
- Move to music, marking the pulse with action durations: 'walk' (crotchets), 'jogging' (quavers), 'stride' (minims), 'skipty' (dotted quaver/semiquaver) and 'shh' (crotchet rest).
- Identify, play from, and combine rhythm patterns to make a sequence using crotchets, quavers, dotted quaver/semiquaver, minims, and crotchet rest.
- Perform a whole-class 'rondo' made up of playing and singing.

## **PSHE: Healthy and Safer Lifestyles**

In this unit, the main themes are body knowledge, body functions, body awareness and developing respect for their bodies and themselves, personal hygiene and how to prevent the spread of illness.

As **scientists**, we will be revisiting our learning about animals including humans, focusing on food and a balanced diet. This knowledge will help us in DT learning about what a balanced diet is and how to make healthy food with low cost ingredients.

## LKS2 How do Sikhs put their beliefs about equality into practice?

### Prior learning

Sikhs believe in one God 'Waheguru.'

We are all children of God.

Guru Nanak was the first Guru. The Guru Granth Sahib the last.

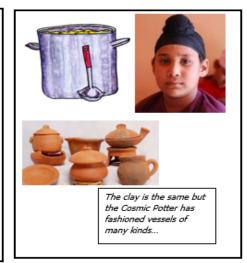

Sikhs are encouraged to listen and meditate on its words to know God better.

#### What should we know?

Sikhs believe everyone is equal.

That Sikh's believe:

- Guru Nanak taught that God was present in everyone.
- Everybody is equal because God is in each heart.
- All Sikh boys are called Singh, and girls Kaur. These extra names show all are equal and important to God.
- Eating together in the langar helps put equality in practice. No one is more important than anyone else.
- In the Gurdwara, worshipping together reminds Sikhs they are all equal.

# What should we be able to do?

Describe some similar things Sikhs do when they come to the gurdwara for worship and those which demonstrate equality.

Describe how the names 'kaur' and 'singh' show the belief that all Sikhs are equal, valued and united.

Explain and describe the practice of the langar.

#### What words should we understand and be able to use?

In **PE**, we will be learning about tennis and striking and fielding games.

As **designers**, we will consider what a balanced diet is. We will make three products that are often bought pre-made or highly processed. We will also learn how to make healthy food from low-cost ingredients. We will start to consider how cheap processed foods will affect our diet and health in later life.

Fruity yoghurt DIY popcorn

Homemade chips

In French, we will be learning about naming parts of the body, make simple statements about appearance and give a simple description of a person.
