To whom it may concern,

St Mary's C of E Primary School, Hadleigh, as the admissions authority, is consulting on the school's Proposed Admissions Arrangements, from September 2024. As determined by the School Admissions Code, we are required to consult on these arrangements and are inviting comments on the proposed changes.

Proposed Changes:

1. To promote increased inclusion and to ensure that local children are prioritised, the school is proposing an amendment to the Admissions arrangements to remove church attendance from the over subscription criteria and to remove all other faith-based criteria. Over subscription criteria are only applied if there are more applicants than places.

Please note that this proposed change will not have any impact on the Christian character and ethos of the school or the education provided.

A copy of the school's proposed admissions policy for 2024-25 is available on our website. Alternatively, if you require a paper copy, please contact the school directly.
