

Kitten Class

My Learning this week

Phonics

This week the sounds we have revised are:

ai, ee, igh, oa, oo (moon)

[Try play this game to help you.](#)

Tricky word of the week:

you

Don't forget to learn your 'tricky words'. This [link](#) will help you think of fun ways to learn them.

Don't forget to look at your 'spot word' keyring too. Learning these words will help you develop more fluency in your reading.

Maths

This week in Maths we have been exploring:

numbers beyond 10 (11-20)

We have continued to learn to recognise numbers from 11 to 20.

We have been thinking about the teen numbers as 'one ten and extra ones'. E.g. 17 is made of one ten and seven ones.

[Try playing this game at home](#)

Australia!

We have started to learn about Australia! You can find our topic map for this half-term [here](#).

We have been looking at the different types of weather in Australia and how it can be different depending on where the equator is.

We have also compared Christmas in the UK and Christmas in Australia. Did you know that when it is our Winter, it is Australia's Summer!

Unusual animals!

We have started to explore all the wonderful unusual animals found in Australia. Why don't you try and find out some facts about your favourite ones to share with the class next week!

Did you know that a koala sleeps for nearly 20 hours a day!!

Concept Cat: Each week we will be learning 2 new words to help us develop our vocabulary.
