First,

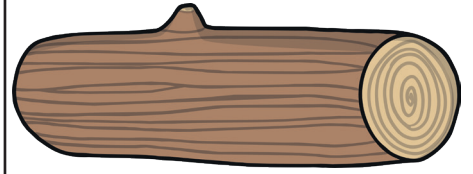

Stampy Squirrel saw  
2 snails on a log.

Then,

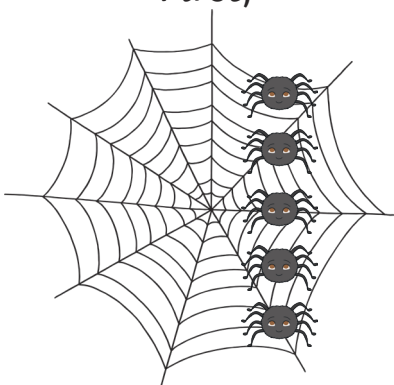

2 more snails  
came along.

Now,

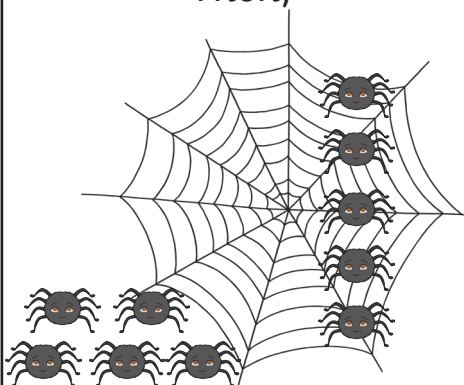

how many altogether?

First,

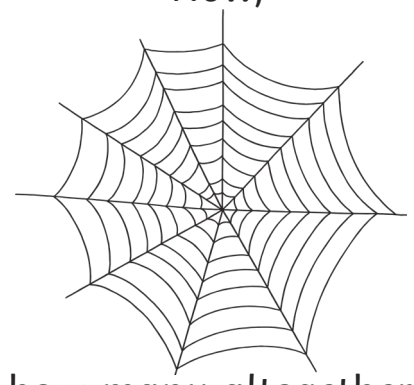

Stampy Squirrel saw 5  
spiders on a web.

Then,

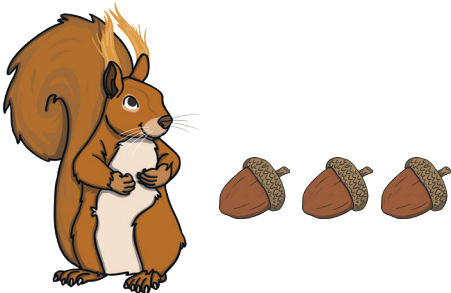

5 more spiders scuttled  
onto the web.

Now,

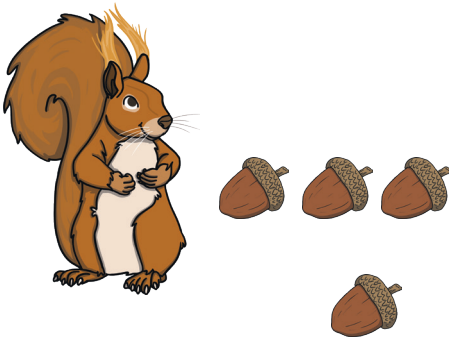

how many altogether?

First,

Stampy Squirrel  
found 3 acorns.

Then,

he found 1 more.

Now,

how many altogether?
