

# Kitten Class

## My Learning this week

### Phonics

This week the sounds we have revised are:

oi, ear, air, er

[Try play this game to help you.](#)

Tricky word of the week:

are

Don't forget to learn your 'tricky words'. This [link](#) will help you think of fun ways to learn them.

Don't forget to look at your 'spot word' keyring too. Learning these words will help you develop more fluency in your reading.

### Maths

This week in Maths we have been exploring:

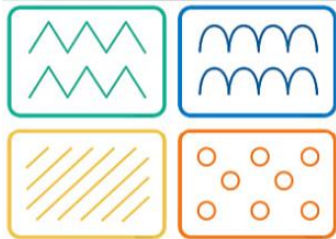

**addition**

First,	Then,	Now,
		
Stampy Squirrel saw 2 hedgehogs.	3 more came along.	how many altogether? <input type="text"/>

We explored number stories like the one above and added more to the first set to find the total.

[Can you try to solve these number stories?](#)

### Drawing

We have been exploring how lines, like straight and curved lines can be used to create drawings. We used the words straight, curved, dots, spirals, loops, zigzags.

We then used these marks to create drawings of Australian animals.

### PSHE - Harmful Products

We have looked closely at the back of household products. Sometimes they have special signs to show us that they can be dangerous and only grown-ups should be using them. We know they should be stored away safely either high up or in a locked cupboard.

**Concept Cat:** Each week we will be learning 2 new words to help us develop our vocabulary.
