

Here is some of the vocabulary you might hear adults talk about.

climate	A region with specified weather conditions.
atlas	A book of maps.
globe	A model of the Earth.
desert	dry land with few plants and little rainfall.
ice cap	A covering of ice over a large area, especially in the polar region.
Easter	A Christian holiday celebrating Jesus's resurrection.
saviour	One that saves from danger or destruction
wide	Reaching across a wide area from side to side.
narrow	Not wide or broad.

In Maths we will be exploring numbers 6 – 10, length and height, addition, 3d shapes and repeating patterns.

This half term we will continue our focus on writing captions, labels and simple sentences. We will be practicing our segmenting and blending skills to help with sounding out words.

Hot and cold places

We will be learning all about hot and cold countries, exploring similarities and differences. We will also be exploring the types of animals that live in these climates and how we might have to dress if we were to visit one of these countries.

Why do Christians put a cross in an Easter garden?
 We will be thinking about why the cross is an important symbol to Christians, why we celebrate Easter and the importance of Good Friday, Easter Saturday and Easter Sunday.
