

Kitten Class

My Learning this week

Phonics

This week the sounds we have learnt are:

Adjacent Consonants

e.g. cl, fr, spl, nk, mp

Tricky word of the week:

have, said, so, do

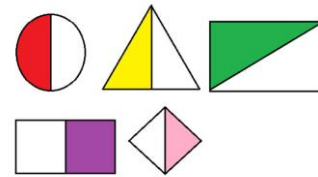

You have been given new 'tricky words' to learn in your reading folder. This [link](#) will help you think of fun ways to learn them.

Don't forget to complete our reading challenge too!

Maths

This week in Maths we have been exploring:

finding half of objects and shapes

We have been using the words **whole** and **half** to describe objects and shapes. We know that **2 equal parts** make a whole.

Parts of flowers & trees

We have been exploring the parts of flowers and trees. We went for a walk around our school grounds to look for different wild flowers. Can you spot any of these flowers in your gardens at home?
Can you name the different parts?

Our Amazing Bodies

We have been thinking about our amazing bodies. We have looked at the different parts of the body we have such as arms, legs, necks, feet. We then looked at what makes males and females different and what the 'doctor names' are for these private parts.
