

Teamipswich Swimming Trials

**Nearing the end of swim school?
Does your child want to continue swimming...**

Teamipswich Swimming is one of the biggest clubs in Suffolk and most successful clubs in the East Region and have had numerous athletes go on and represent the club at county, regional, national and international level and both junior and senior level. We offer many different pathways to all levels of competitive swimming.

If your swimmer has completed or is about to complete level 6 of swim school and if your swimmer wants to continue swimming in a fun, safe and friendly environment then Suffolk's premier swimming club, Teamipswich Swimming, is definitely for them.

Our training takes place at Crown Pools and Fore Street, both in Ipswich.
