Prior learning

Following the Buddha's teachings (the eightfold path) allows every human to achieve enlightenment and end suffering.

What should we know?

The triple refuge support Buddhists on their journey to enlightenment

Buddhist's believe:

- **Buddha** is the guide. They revere but do not worship Buddha; they take 'refuge' in him as their guide towards enlightenment.
- **Dharma** is the path (the teaching). It shows Buddhists the way to travel to reach enlightenment. It is a safe, well laid path which they can follow for themselves.
- Dharma includes rules for right living and teaching on how to avoid bad actions.
- **Sangha** are the travelling companions, the Buddhist community.
- The Five precepts help you to live ethically and morally good lives.

What should we be able to do?
