Welcome to the Summer issue of Raring2go!

The past year has been so tough on us all, not least our children who have missed out on so much. This Summer is shaping up to be all about making memories and trying to make life feel as close to normal as we can.

Its been a while since I last brought you a printed magazine, so it's been an exciting time putting everything together so you can maximise your fun and adventures these holidays.

A few new venues to try, from the Sunflower maze at Frogs Farm to the new Kinetic Science centre in Claydon as well as the exciting 'Festival on

Wheels' event to enjoy, as well as our faithful favourites of Easton Farm Park and Suffolk Owl Sanctuary (to name but a few) to provide a great day out.

Fingers crossed that the sun keeps shining and we can get back to doing the things we love.

Best wishes,

Emily

The team at **Frog's Farm** are revving up for their second year of sunflowers with huge anticipation and excitement after a fantastic opening season. This year there are even more surprises in store across the site.

With a huge range of varieties of sunflowers within the magical fields plus **two mazes** to get lost in and find the perfect photo opportunity, under big, Mid Suffolk skies, you will be [hard](#) pressed to find a more spectacular site for your family to be amazed by. Treat yourselves to cut flowers on your way out and see the sunflowers in their full beauty whilst at Frogs Farm and when you get home.

The brainchild of Freddy and Bekkie,

two young people with a dream of bringing back the old family farm alongside a diversification enterprise, the success has surprised but not overwhelmed them with ideas constantly running and being trialled.

The site opens on **21st July** and runs throughout the summer holidays for a great family outing. Follow us on social media for full details of what is happening throughout the summer and to see the growth of the sunflowers until we open.

Fun Gardening Ideas for Families

Kids love gardens & growing things - when gardening with youngsters, try to think like they do & get imaginative!

Jack and the Beanstalk Garden – plant some magic beans (dwarf French beans are good) protected by Jack the Scarecrow.

Pizza Garden – a round garden ideal for a large container - dwarf tomatoes, peppers, onions, oregano, and marigolds (to represent cheese).

Cinderella's Garden – pumpkins & easy flowers like cornflowers or love in a mist – all easy to grow from seed.

Fairy Ring – in Autumn plant a circle of bulbs such as crocuses in the lawn & wait 'til spring!

Smelly Garden – full of fragrant plants like lemon balm, mint, lavender & chives.

Mr McGreggors Garden – lettuces, Carrots and greens ! Radishes are quick and easy to grow too.

Bugs Welcome Garden – welcome friendly bugs & beetles with flowers such as nasturtiums, candytuft & marigolds. Include a small wood pile for bugs to hide in too.

Bird Friendly Garden – make some bird feeders & nest boxes out of recycled items, remember to leave a large shallow dish of water out for them to drink & use for a bath - visit www.rspb.org.uk for lots of ideas.

Fun Recycled Containers – plant flowers in recycled items – anything goes from Dad's old walking boots, outgrown wellies or even juice cartons - any interesting objects you have, make sure to put holes in so water can drain away though!

CAN YOU **IMAGINE** WHAT IT WOULD BE LIKE TO **NOT HAVE YOUR OWN BED?**

We estimate there could be as many as **400,000 children** in the UK for whom this is the reality. They are sleeping on the floor, or sharing with parents or siblings.

Buttle UK is a national children's charity. What we do is very simple. We pay for everyday things that struggling families cannot afford. That could be anything from a bed for a child without one, to a laptop so a homeless teenager can start their first college course.

The legacy left to us by our founder, Frank Buttle, means we can cover our own administration costs. So every penny of a gift will go directly to a family that really needs it.

Summer fun at Markshall Estate

MARKSHALL
ESTATE

With hundreds of acres to explore, what will you do first? Build a den in the Wild Wood, explore a whole world of trees or feed fish in our giant lakes? With so much to do here, it's easy to have a fun family day out!

On Saturday 21 August look out for a visit from Mowgli and his friends as the larger-than-life family musical *The Jungle Book* comes to Markshall Estate. Filled with original music, audience interaction, and the chance to meet the characters after the show.

For older children, William Shakespeare's iconic *Romeo & Juliet* will be performed on Friday 20 August. This powerful story of forbidden love and bitter rivalry is brought to life in a visual spectacle infused with comedy, heartbreak, and danger.

For families with energy to burn, let your imagination run wild in our hands-on play area, The Wild Wood. Made from wood from across the Estate, have fun jumping over logs, playing on see-saws, and building giant dens.

Explore a little further and uncover the last reminders of our Second World War air base or travel back in time as you look for signs of the old Hall. Bring the dog and your bikes and explore miles of ancient woodlands.

Are you ready to get exploring? Find out everything you need to have a great day at www.markshall.org.uk
