## Do You Love Body Shop?

My name is Clare and I am a Body Shop at Home Consultant for the local area. As a self employed consultant, I am able to supply Body Shop products with some amazing discounts across the range and usually cheaper than online or in store.

I would like to gift you with a 20% off new customer offer which can be redeemed on your first purchase with me, this offer is valid for the next 7 days and applies to all catalogue items over £4.50 (gift sets are excluded).

I can take orders at any time, either by text, via Facebook or in person and delivery is free or you can collect.

Please feel free to join my private Facebook group, here you will find exclusive deals, product demonstrations, competitions, raffles and much more.
