

Myth Busting School Meals!

"My child is a fussy eater"

Our menus offer variety and choice to suit all tastes. In our experience, children are more likely to try new foods when they have regular school meals in a social setting.

*"I love my school lunches!
I like the different flavours and
how tasty it looks on the plate!"*

School Council Feedback

"They're not healthy"

Our menus consist of well-balanced dishes that adhere to the school food standards. Real fruit is used in over 50% of our dessert recipes; **we have reduced sugar content by 25%** and wholemeal flour is used in all of our bread and pastry recipes!

"I cook a meal in the evening"

We fully understand that some families eat a hot meal together in an evening so we have developed our own cold lunch options and jacket potato menu to help support this.

"My child has a food allergy"

Our dietitian has developed 'allergen aware' menus for children with medically-defined food allergies. Registration forms can be found on our website - www.norsecatering.co.uk.

Did you know, on average less than 1% of packed lunches from home meet all of the school food standards?
