# Lowry Colours

Red, yellow and blue are the primary colours.  
You can use these to mix every other colour.

# Lowry Colours

If you mix black with another colour it makes it darker.

If you mix white with another colour it makes it lighter.

# Lowry Colours

With these five paint you can mix any kind of colour you can think of.  
The many colours in all of Lowry's paintings are mixed from these five paints.

# Seascapes

A 'seascape' is a painting of the sea.

Lowry loved the sea and often went on holiday to the seaside.

He painted lots of seascape paintings.

Like all of his paintings, they were painted with the same five colours.

What colours can you see?

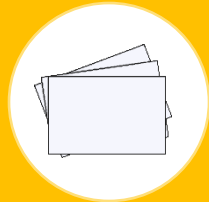

How can you make these colours from red, blue, yellow, black and white?

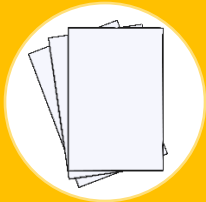

# Painting a Seascape

You will need...

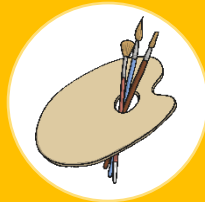

A4 paper

A3 card

Paint in  
Lowry colours

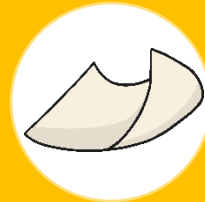

Palette

Brushes

Water

Rag

1. Using your five Lowry coloured paints, see how many different shades, tints and tones you can make.
2. See if you can make dark and light, pale and bright shades in lots of different colours. Practise on your paper.
3. Use these colours to paint a picture of the sea!
4. If you want, you can add a lighthouse, a beach or a boat.

**What a good one looks like...**
