Our Work So Far

We have painted a Lowry style background.

Our Work So Far

We have drawn buildings from the industrial landscape.

Our Work So Far

We have created busy matchstick figures.

Our Work So Far

We are going to put them together to make our own Lowry City Collages.

A **collage** is a kind of art work made by sticking different things together.

Scissor Safety

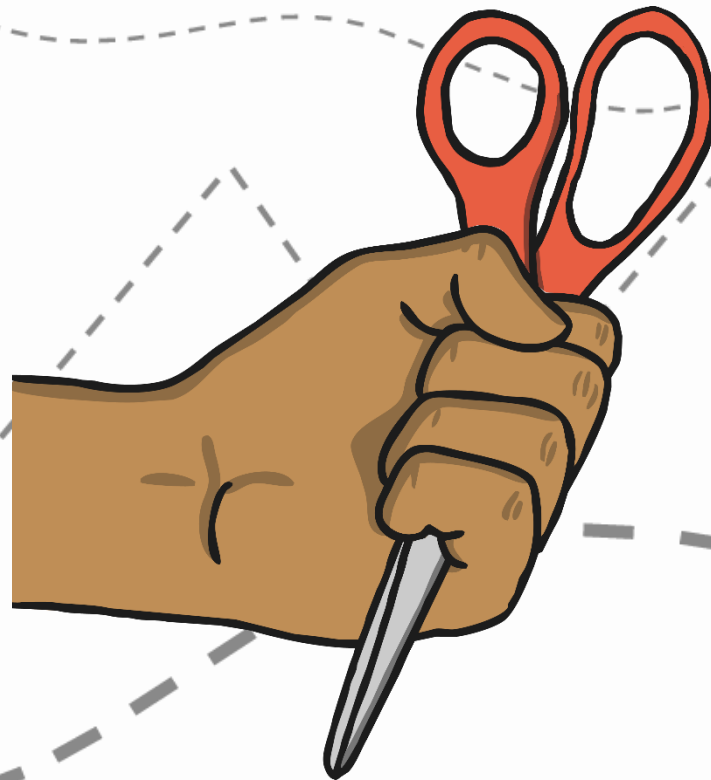

How do we use scissors safely?

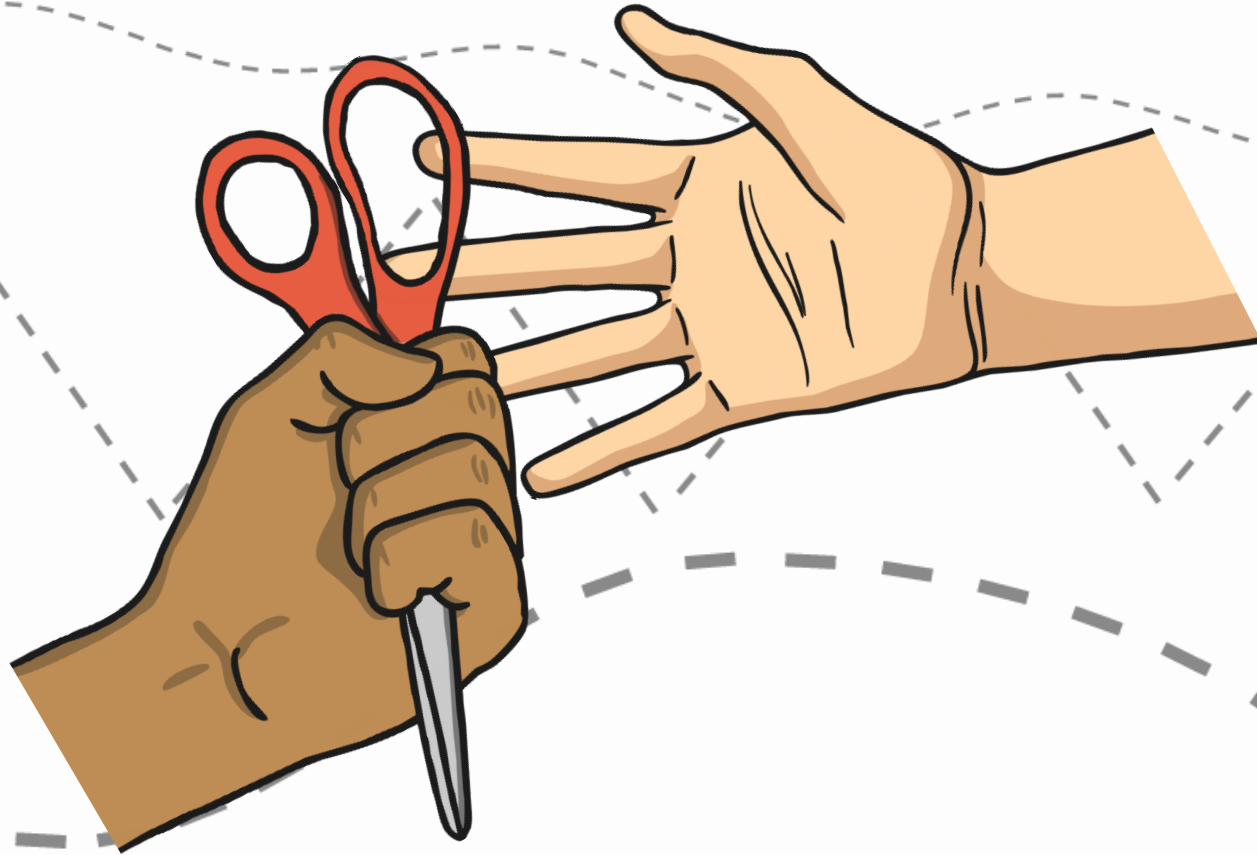

**Always walk slowly when
carrying scissors around.**

**Hold the blade down
when walking with scissors.**

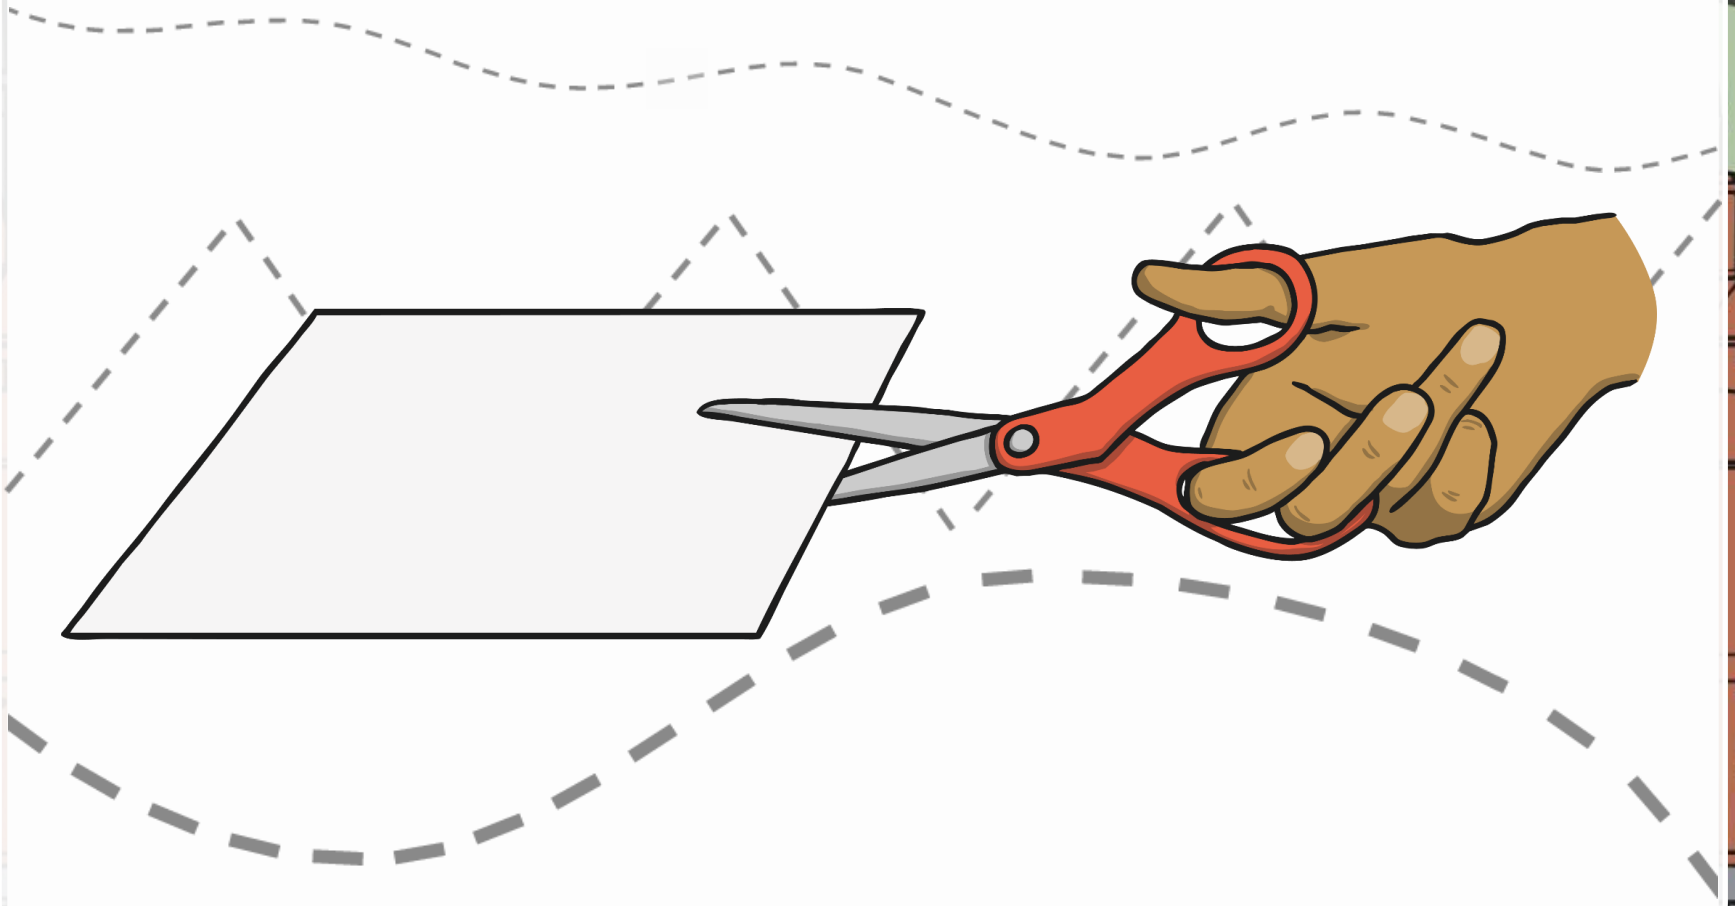

**Pass scissors handle
first to friends.**

**Sit down to
do your cutting.**

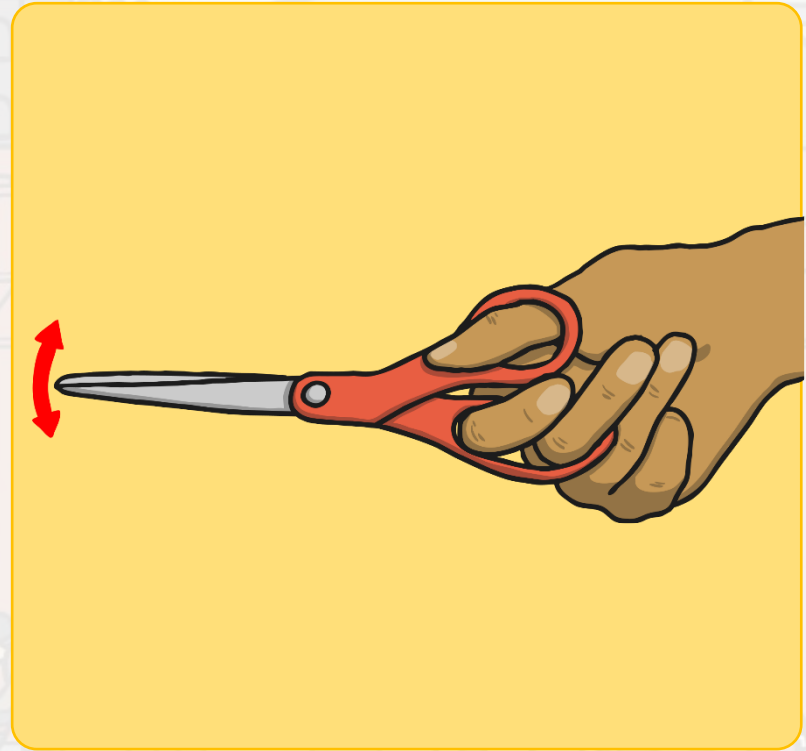

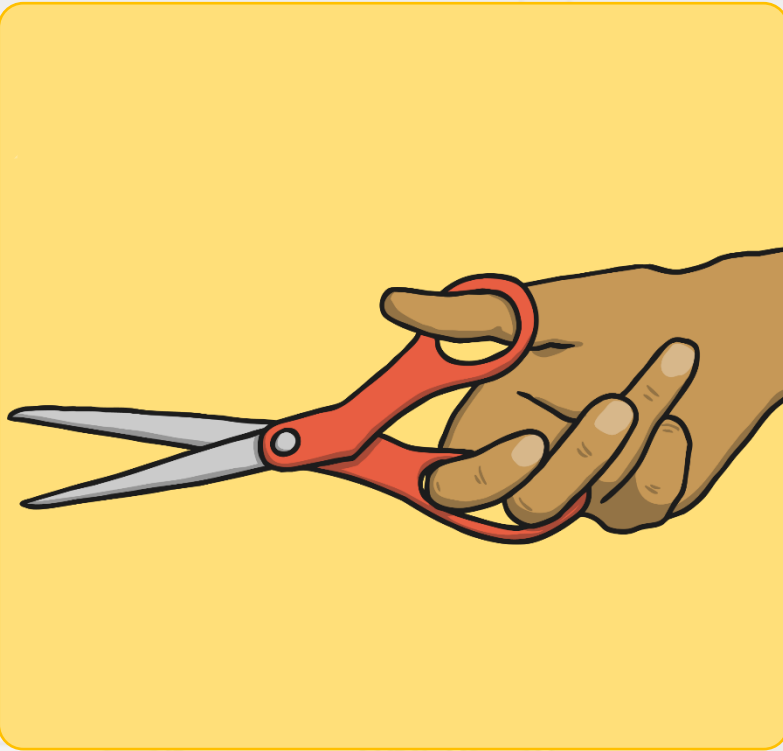

Only cut paper.

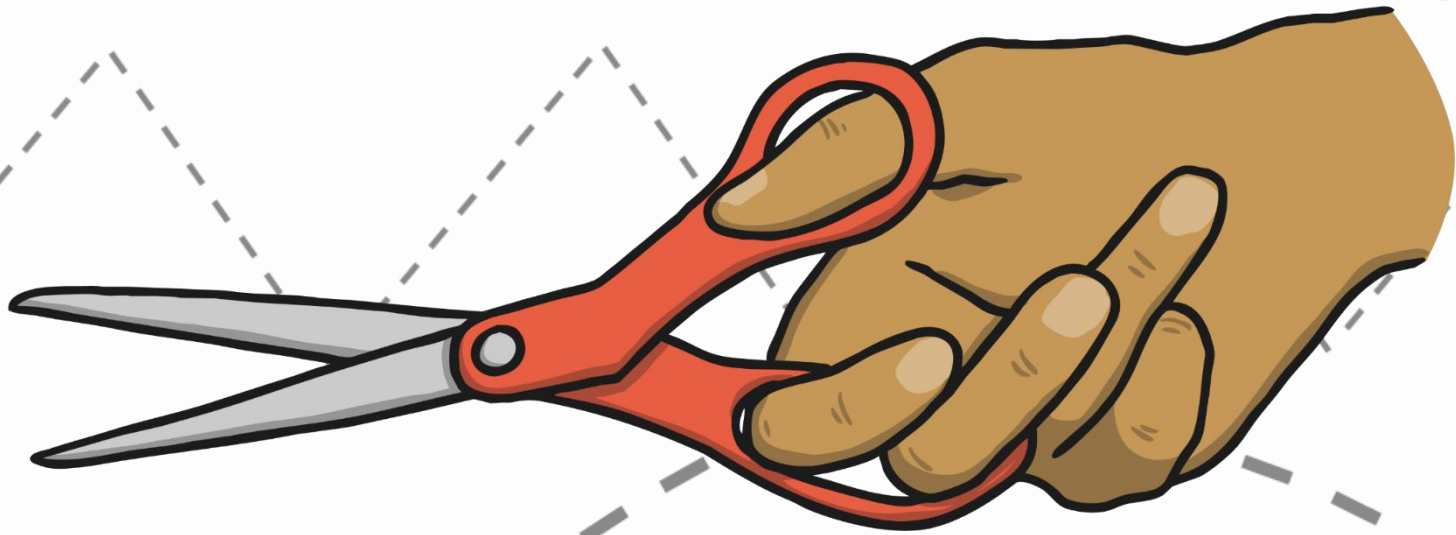

Scissor Skills

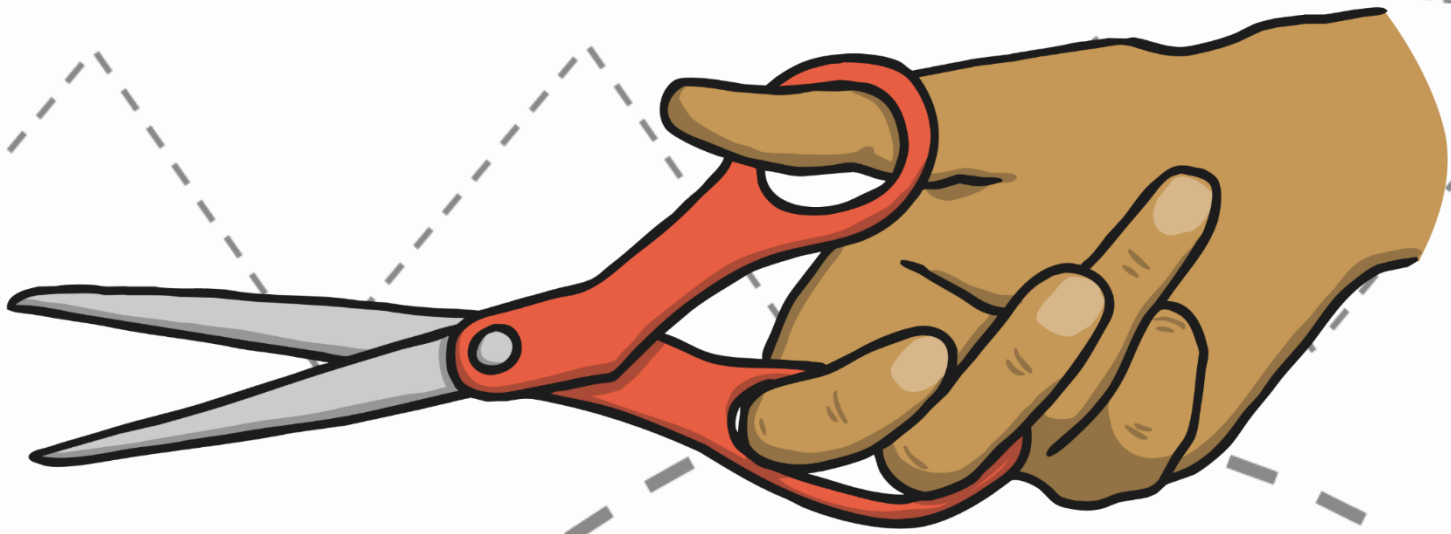

How do we use scissors well?

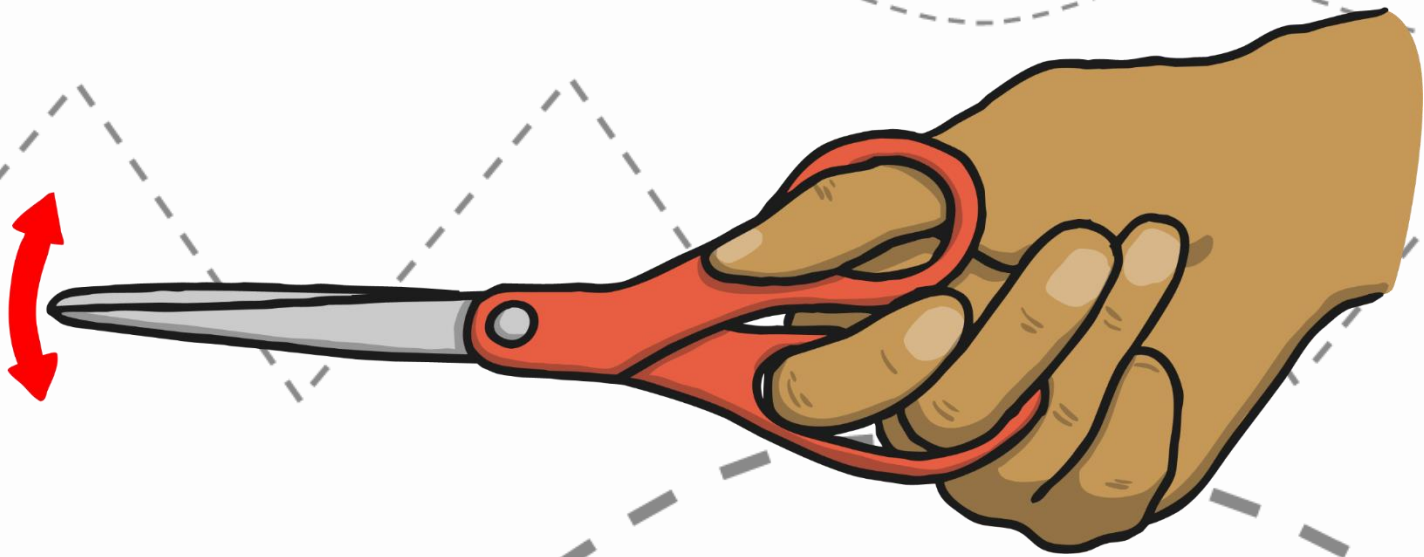

Hold your scissors well.

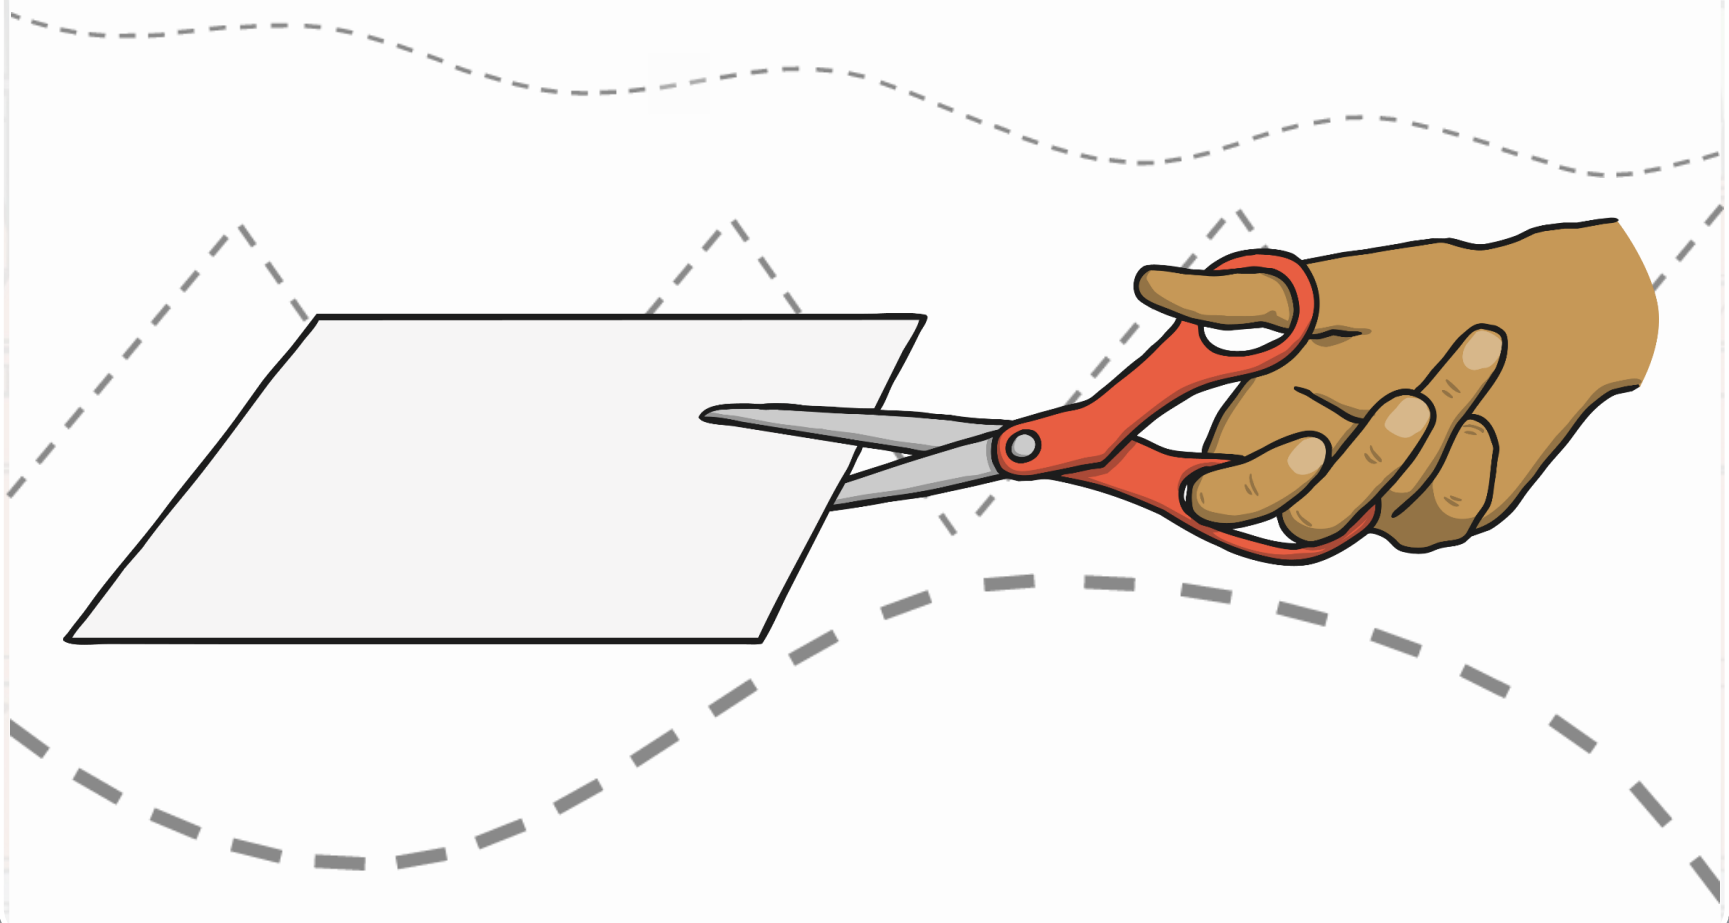

Keep your thumb up.

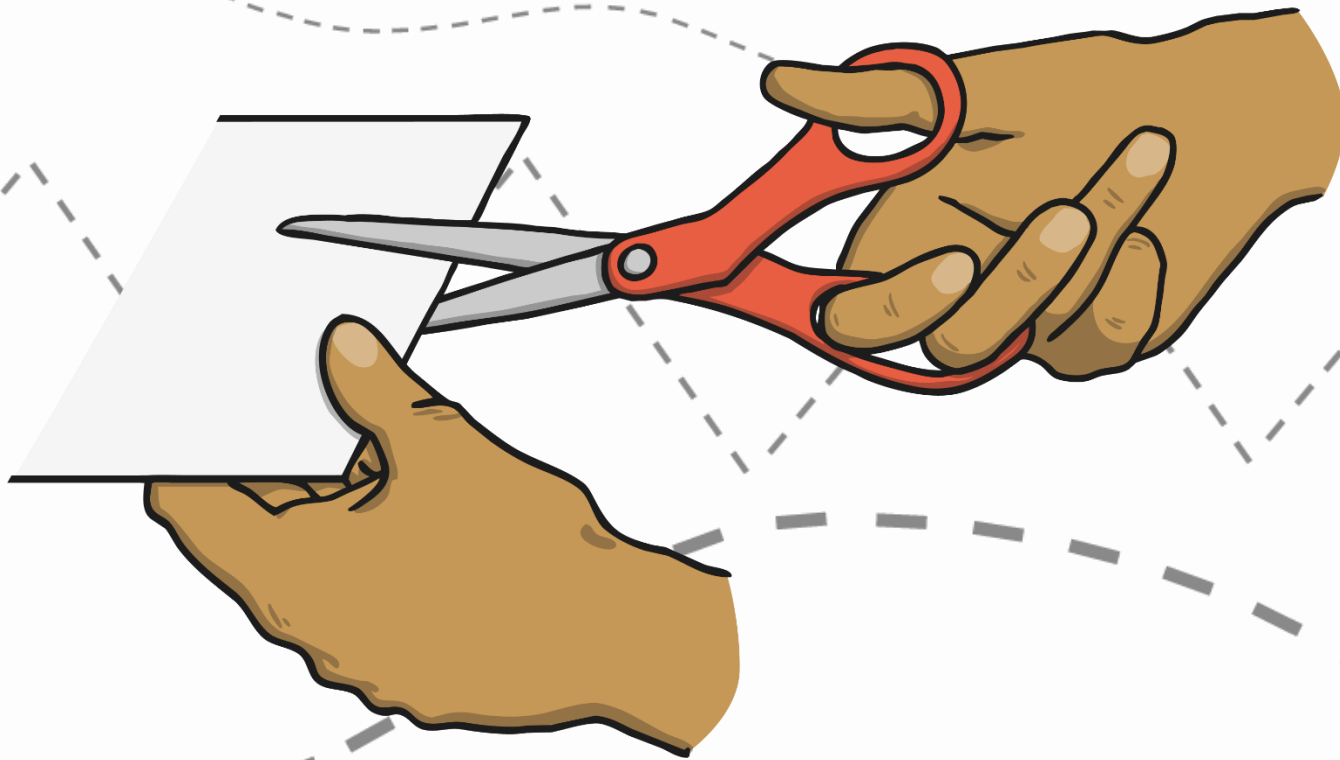

**Keep the scissors moving,
open and shut.**

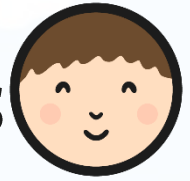

**Move the paper,
not the scissors.**

Hold your paper tightly.

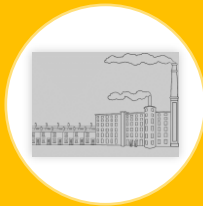

Making Lowry City Collages

You will need...

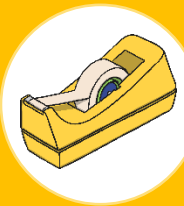

Your painted background

Your buildings

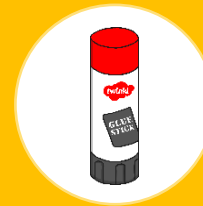

Your matchstick people

Sellotape

Scissors

Glue

1. Very carefully cut out your buildings.
2. Stick the buildings on to your background- make sure you can see your hills behind them.
3. Cut out your matchstick figures. Take your time! If you make a mistake, use sticky tape to mend it.
4. Glue your matchstick figures in front of your buildings.

What a good one looks like...

Let's Celebrate!

You have made **amazing**
Lowry City Collages!

Well done!
