Dear Customer

Important roadwork information A14 junction 51 – safety improvements

I'm writing to inform you about the upcoming CCTV renewal at Junction 51 of the A14, aimed at enhancing monitoring and safety for drivers.

The work will be completed in two phases:

- **Phase 1:** Scheduled over **three nights** from **9 to 11 December**.
- **Phase 2:** Scheduled over **five nights** from **20 to 24 January 2025**.

Work will take place between **9pm** and **5am**, weather permitting, and will be carried out on weeknights only.

Closures and Diversions:

- **Phase 1:** No closures or diversions required.
- **Phase 2:** There will be an eastbound lane closure on Kettle Lane between Beacon Hill Interchange and the B1078 (A14 westbound on slip junction). Traffic will be diverted as follows:

Residents living along Kettle Lane wanting to travel eastbound to junction 51 of the A14 (Beacon Hill Interchange) will need to travel westbound to Junction 50 (Cedars Interchange) and return eastbound on the A14. Residents wanting to return to their properties should do so via Beacon Hill Interchange otherwise they will have to follow the diversion to access their properties.

A map of the closure and diversion is enclosed.

How to find out more

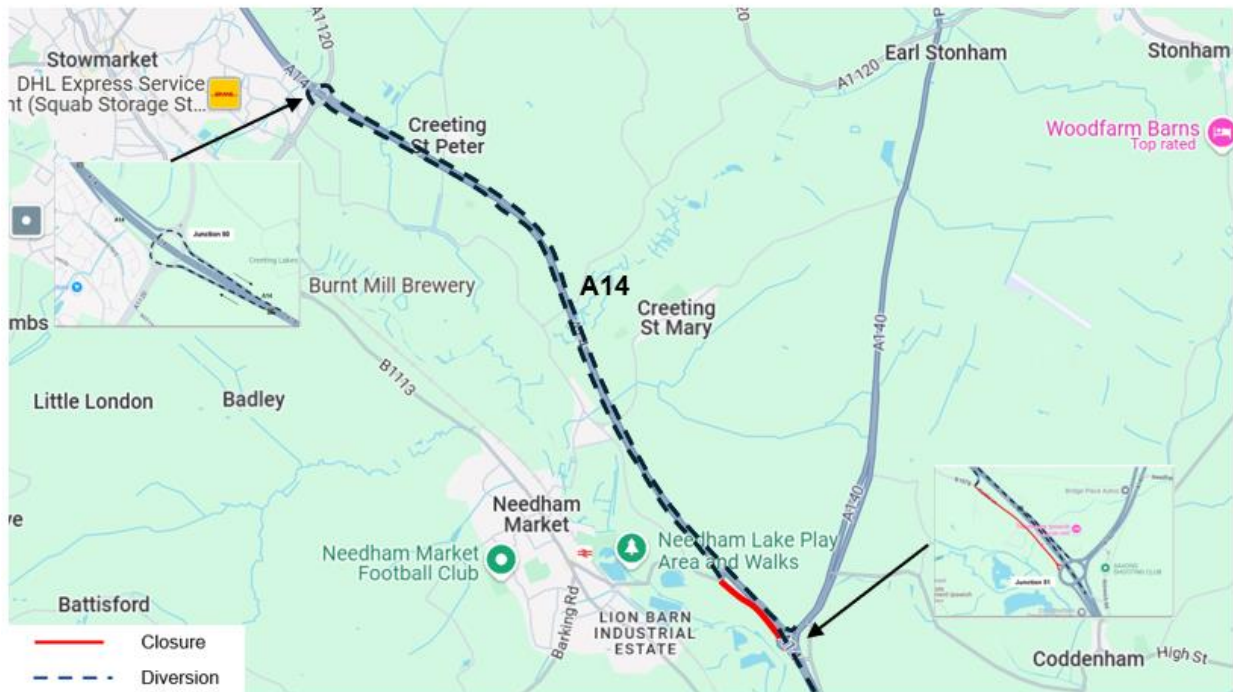

For the latest information, please visit our dedicated webpage <https://nationalhighways.co.uk/our-roads/east/>

If you would like more information, please contact us on 0300 123 5000, or by email at info@nationalhighways.co.uk.

Yours faithfully

Christopher Bousted, Project Manager
Operations East, Scheme Delivery Team
