

Dear Customer

A14 Orwell Bridge westbound – speed limit for maintenance

We wrote to you recently about our planned maintenance on the A14 Orwell Bridge starting on 4 December 2024.

For safety reasons while we continue to monitor the bridge joints ahead of the scheduled works, the speed limit will be reduced to 40mph on the westbound carriageway from today, 29 November 2024 until repairs are complete.

All other work will be completed over two nights between 8pm and 6am starting on 4 December 2024, weather permitting.

As a reminder, essential maintenance is needed to the westbound bridge joints to ensure the bridge remains in a safe and serviceable condition. To carry out the work safely, we will close one lane across the bridge, the other will remain open allowing drivers to continue crossing the bridge. All lanes will remain open during the day.

How to find out more
