Dear Parents and Guardians,

Located within our beautiful 87-acre campus, our Senior School is a remarkable place for your son or daughter to continue their educational journey. Our small classes of enthusiastic pupils and inspirational teachers result in happy pupils who have a love of learning and achieve outstanding results.

Ipswich High School spaces for Year 7 2025 are still available, and we are excited to announce a second application window for Year 7 Scholarships is now open. Scholarships are awarded for excellence in Academia, Art, Dance, Drama, Music and Sport. Scholarships come with a discount on fees and support for pupils through the Scholarship Programme designed by the relevant Head of Department.
