

Here is some of the vocabulary you might hear adults talk about.

caretaker	a person who takes care of another person or living object.
environment	all the things together that surround animals and humans in the natural world, including the air, the water, and the soil
China	A country within the continent Asia
community	A particular area where a group of people live.
pair	Two things that are alike and meant to be used together.
observation	To look closely at something.
primary colour	3 basic colours which all other colours can be made by blending
secondary colour	A colour resulting from the mixing of two primary colours.

This half term we will be focusing on writing cvc words. We will be practicing our segmenting and blending skills to help with sounding out words.

## Significant People in our Community

We will be learning all about people who can help keep us safe in our community; such as doctors, firefighters, policemen and nurses.

In Maths we will be understanding the relationships between numbers and how many are in a given set. We will be exploring composition of numbers, as well as comparing them.

How can we care for our wonderful world?

In RE we will be exploring the question 'How can we care for our wonderful world? We will be thinking about a group of people called Christians and learn why they believe it is so important to care for our world. We will also be exploring what we can do to care for our environment.

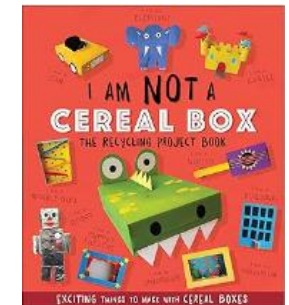

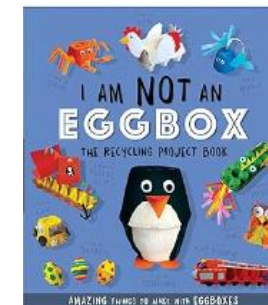

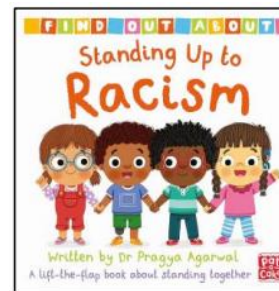

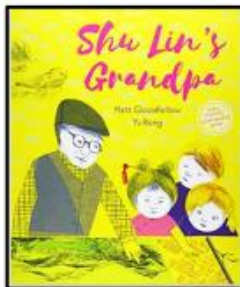

We will be learning about the celebration 'Chinese New Year'. We will explore how, when and why it is celebrated.

We will be investigating signs of winter!

Here are some books we will be reading!

We will be learning to create artwork out of recycled household materials!
