Dear Sir or Madam,

A14 Junction 55 Copdock Interchange public consultation

As you may be aware, we have recently launched a consultation for the proposed A14 J55 Copdock Interchange improvement scheme. We are reaching out to you as you are a resident in the local area who may be interested in the scheme. We would really value your feedback on the proposed options and benefit from any suggestions or issues you may raise during our consultation period.

The public consultation for the A14 J55 Copdock Interchange improvement scheme has launched today and will run until 9 December 2021.

The aim of a public consultation is to get as much feedback as possible on the proposed scheme and input from residents is essential to help inform us of any key issues during the development of the scheme.
