

Nativity Scene

Amazing Fact

A 14-pointed star is on the floor of a church in Bethlehem, which is said to be the exact place that Baby Jesus was born.

Challenge

Have a go at cracking the code using these Nativity themed sheets. Can you work out the answer?

You could also try to find out:

- who visited Baby Jesus after he had been born;
- which other animals donkeys are closely related to;
- what male and female donkeys are called;
- how Mary and Joseph could travel to Bethlehem if Jesus had been born today.
