

## Suffolk County Council Funded School Travel for 2020/2021

Parents will be able to opt in for SCC funded school travel for the 2020/2021 school year from the 4 March 2020. If their child is eligible, they must opt in by the 31 May 2020 to ensure they transport is in place for the start of the Autumn term.

This is only the second year of the SCC's new school travel policy, so we need schools to help us make sure parents are aware of the policy and what this means for their child or children. We also need schools to help us ensure parents opt-in for SCC funded travel.

We have prepared some information which helps to explain the School Travel Policy and to help you communicate this information with parents.
