# Aim

- I can read dates and calendars.

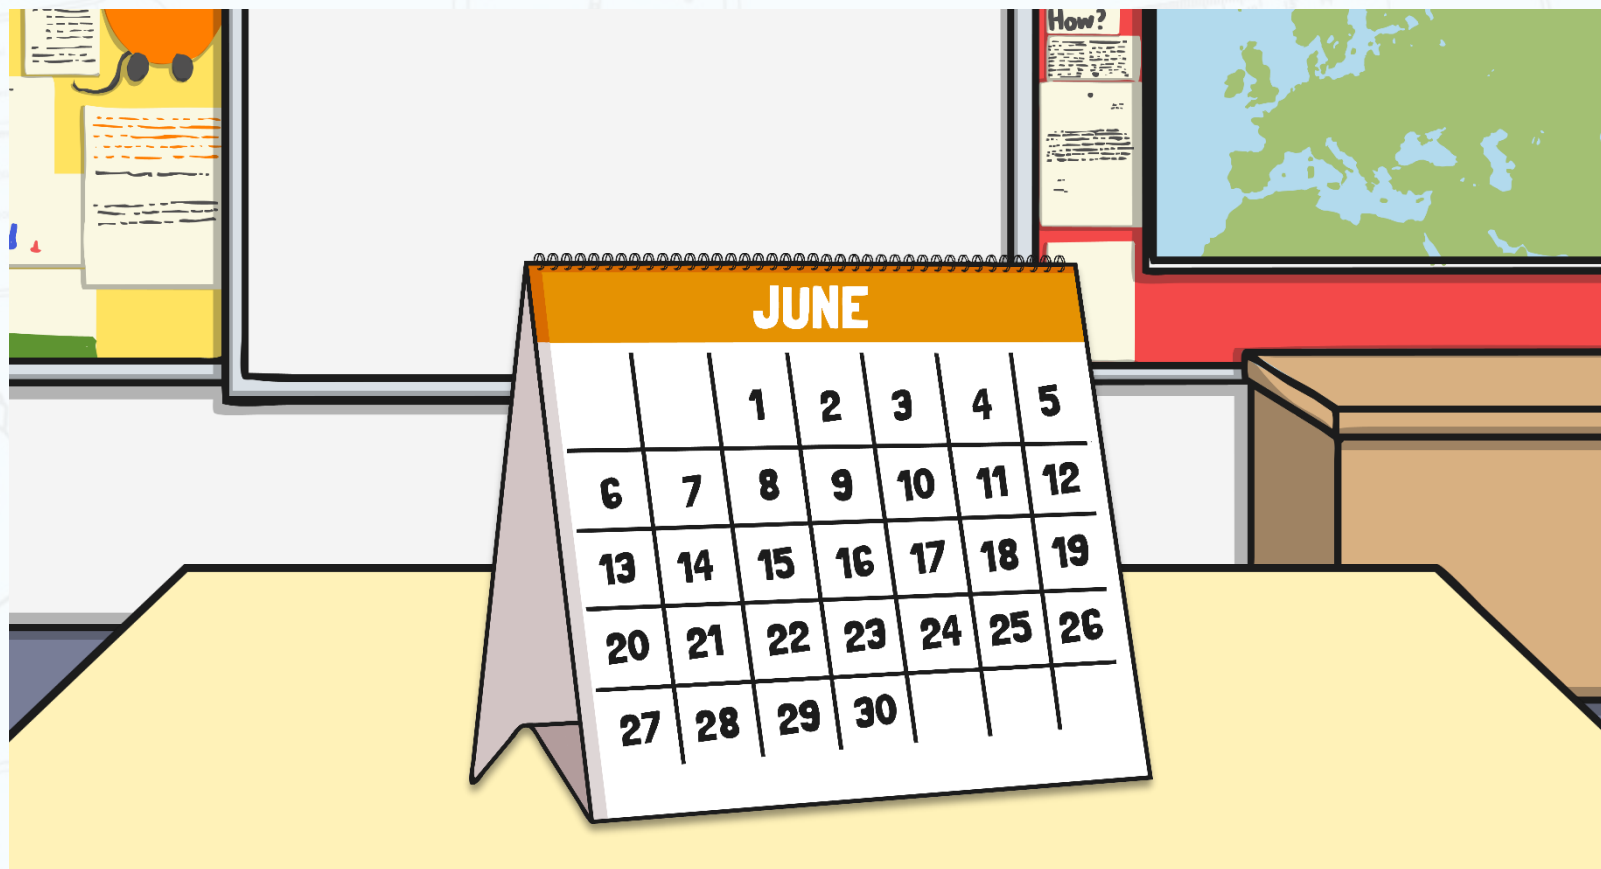

# Success Criteria

- I can read and understand the date.
- I can find dates on a calendar.

# Dates

There are between 28 and 31 days in each month.  
Each day is numbered to help us count them.

# Dates

These numbers and names give every day a special code that tells us when it is. We call this a date.

This number tells us the day of the month. What day of the month is this?

This number tells us the year. What year is this?

14<sup>th</sup> October 2021

This is the name of the month. What month is this?
