BIBLE VERSE & OVERVIEW

that is in
CHRIST JESUS
OUR
Lord
ROMANS 8:39 NIV

We are all part of different communities. This includes our family, friendship groups, clubs we may be a part of and our school community. The verses from Paul (to the left) remind Christians that God's love extends to all of us – in all times and all places. At this time when we may be separated from others, I wonder how we could still extend our love and support out to others?

ACTIVITIES

- Create connected paper rings or paper people. Write on each one a prayer or value that you think is important for communities.

- Make a heart out of materials you can find, either inside or outside. Place inside the heart items which could represent people and communities that you would like to pray for.

- Create an original Hannah Dunnett style-artwork based on Paul's verse above (do an internet search for '*Hannah Dunnett nothing will separate us*'). Look closely at the images Hannah has used – I wonder which images you might choose to illustrate the verse? *We would love to see your designs. Send them in to hpuddefoot@stalbens.anglican.org and on 30 April we will choose one winner to receive a prize!*

Q FOR DISCUSSION

How could we best support others in our community at this time?

PRAYER

Lord, we thank you for always loving us. We pray for all in our community, and pray that we can extend your love to others this week.

Amen.
