Reading practice sessions with decodable reading books three times a week

Notes for these lessons

- Practise reading new words with word cards showing the sound button side.
- GPCs in red are in the 'Phonics screening check'. Words in red and brackets were tricky words that are now decodable.
- Use the chunking method, if needed, to support children reading longer words. Aim for the children to be able to read the words without chunking them up. Over time, these words should enter the children's orthographic store and become fluent.
- Lesson 2: If your regional accent does not follow this pronunciation, miss out the GPC section but practise reading these words.
- Lesson 5: **Sort the words:** Use two images, such as /or/ 'horn' and /ur/ 'fur', to sort the words.
