We will be reading a fairy tale story each week and learning how to use our phonic skills to write simple sentences linked to the book.

In physical development we will be developing our handwriting of long ladder letters and one-armed robot letters. In PE we will focus on Games.

In PHSE and Knowledge and Understanding of the World we will be learning about Healthier lifestyles and what is needed for a healthy body. We will understand why different foods and drinks are important for our bodies to stay healthy. We will learn what exercise is and why it is good as well as the importance of sleep. It is important that we begin to learn that we can make choices to help us stay

We will be learning how to make healthier snacks and how to hold and spread a knife.

In RE we will be exploring why Christians put a cross in the Easter Garden and what happens in the Christian story of Easter. We will learn to recognise that Christians do some things because of their religion and reflect on things that happen to us and what is important to us.

During this topic, we will be learning about castles and comparing castles to our homes. We will be going on a visit to Colchester Castle which is one of our key experiences.

We are going to learn some French vocabulary for food

As artists we will be learning how to tear tissue paper to create a collage of Colchester

We will be constructing castles from blocks and investigating pulleys and lever mechanisms. This will also help us to learn the names of common 2D and 3D shapes.
