Reading practice sessions with decodable reading books three times a week

Notes for these lessons

- Practise reading new words with word cards showing the sound button side.
- Words in red and brackets were tricky words but are now decodable.
- Lesson 4: Draw the children's attention to the GPC 's' /sh/ in 'sugar'.
- **Read longer words:** Use the chunking method, if needed, to support children reading these longer words. Aim for the children to be able to read the words without chunking them up. Over time, these words should enter the children's orthographic store and become fluent. If words end in a suffix, such as -er -ing, ask the children to read the root word all the way through and then read the word with the suffix.
