

Risky business

It is good to help other people who have had an accident. But there is a **risk** – we might get hurt ourselves. There are **eight examples** of accidents below. For each one, draw a picture to show the accident. Then write what the danger might be for a person who gives help, and suggest how it can be made **safer**.

<p>Ryan has a cut from broken glass when playing in the park.</p>	<p>Tom has fallen off a bike onto a busy road with traffic.</p>
