Lifeboats

There are over 350 lifeboats in the RNLI fleet – based around the UK and Ireland.

Between them, they cover 19,000 miles of coastline and inland stretches of water.

With 24 call outs every day, there is probably a lifeboat out right now!

LIFEGUARDS

ACTIVITY: SHAPE POEM

Lifeboats

RNLI lifeguards help look after visitors during the busier months on the beach.

They are qualified in lifesaving and are highly trained, strong and fit.

ACTIVITY: SHAPE POEM

RNLI lifeguards monitor sea conditions and set up the appropriate flags, watch the people on the beach and offer safety advice.

They are equipped with the best training and the best equipment, so that they are able to deal with any foreseeable situation.
