 - b) The feature in the centre of the map.
 - c) The closest place to the entrance.
 - d) The closest place to the lake.

- 2 Describe the positions of these places. There may be more than one way to describe each one.

b) The café	d) The first aid post

3 Here is another version of the map of the theme park.

Use this version of the map to find each of these places from its description.

- This place is half-way between the roller coaster and the ice cream shop.
- This place is two spaces to the right of the first aid post.
- This place is seven spaces across from the left edge of the map, and three spaces up from the bottom.

Do the squares on the map (the **grid**) make it easier to say where things are? Why?
