

Saving money.

You don't have to just put your money in a piggy bank to save it. You could open a savings account. Research a savings account online, here is a link to the Halifax children's savings account:

(<https://www.halifax.co.uk/savings/kids.html>) and answer the following questions:

Find out these things about your Savings Account:

1. How much money do you need to open an account?
2. How much is the interest rate?
3. What does 'interest rate' mean?
4. How do you open the account?
5. Is there an 'incentive' to open the account, like a Welcome Pack?
6. Give 2 good reasons to open a savings account.
