

# How did the Ancient Mayans Live?

For the **next two topic sessions**, I would like you to focus on **one or two** areas of everyday life to research using the website links and the sheets on the blog:

- ❖ Food
- ❖ Clothing
- ❖ Being a child
- ❖ Jobs/farming
- ❖ Houses
- ❖ Entertainment

## Websites:

[Plan Bee Website](#)  
[The School Run Website](#)  
[BBC Bitesize Website](#)  
[Ducksters Website](#)  
[The Mayan Empire](#)  
[History on the Net](#)  
[History's Histories](#)

**Task:** You will need to present your information either on a PowerPoint slide (just one for each area), use Word or handwriting.

You will need to make sure your information is/has:

- ✓ NEATLY presented – i.e. lines drawn with rulers, neat handwriting, information organised in to text boxes
- ✓ Colourful – you can use different fonts, coloured writing, draw pictures, use pictures from the internet
- ✓ A main title and subheadings that look different to the rest of your text – you can use underline/bold/italics if on the computer; colours, bubble writing if handwriting
- ✓ Pictures to illustrate your information
- ✓ An introduction to introduce your information
- ✓ Enough information to inform the reader – one or two paragraphs is not sufficient; you will need to become the expert of your information

**Remember:** You CANNOT copy (and paste) large chunks of information from the internet so make notes first before you present your research.
