

Science Investigation Questions, Factors and Resources

Name: _____

Date: _____

We want to find out:

We are keeping these things the same to make the test fair:

We will only change:

We will need the following to carry out our test:

Science Investigation Method and Prediction

Name: _____

Date: _____

First we will...

Then we will...

This is what we think will happen:

We can record our results by using the following:

bar charts, diagrams, drawings, lists, pictograms, tables, tally sheets and writing

Science Investigation Conclusion and Results

Name: _____

Date: _____

We found out that:

We think this is because:

Next time I would change:
