

The Floss Rule

Instructions

1. Roll the dice and move the correct number of spaces to land on a real or nonsense word.
2. Sound out and blend each double consonant word you land on.
3. Who will finish first?
4. Remember to celebrate with a dance when you finish the game!

The board game consists of a path of hexagonal tiles. The path starts at a purple 'Start' tile and ends at a purple 'Finish' tile. The tiles along the path contain the following words: buzz, floss, fizz, liff, frizz, tull, bell, jazz, boss, miss, vill, mezz, fuzz, liss, droff, peff, will, yoff, spuff, tizz, cliff, and bill. Double consonant pairs (ff, ss, ll, zz) are scattered around the board. Three children are shown: a girl dancing, a boy in a wheelchair, and another boy dancing. Stars indicate dice rolls.
